This is a healthy-cat lodge. Sick or injured pets should be boarded under a vet's care.

Pre-arrival

FVRCP vaccination must be current. Upon check-in we require vaccination verification. Complete immunization of all our guests provide a healthy environment for your pet.

Before entry nails should be clipped. Cats should be free of all fleas, ticks, other parasites and ringworm. We require the use of Advantage or Revolution only 48 hours before entry to prevent fleas (no substitutes).

You are welcome to bring in your pet's favorite toys and treats.

During your pet's stay

We recommend to bring your own pet food for your cat during the stay. We welcome those who prefer eating their own special diet and have special needs. Each guest is monitored daily for intake of food and elimination.

If your cat requires medical attention, we will contact your veterinarian whenever possible. If circumstances require more immediate attention we will contact a veterinarian that is available and close to the Lodge.

Our family history

Nani (Cookie) Cambra has served as manager of the Cozy Cat Lodge for more than seven years in Kailua. Since 1987 she has been involved with cat care along with her mom, Jan. With her experience and dedication to the feline community and their humans, Nani has opened up the Cozy Cat Lodge Kaneohe May 2008.

Jan Schmidt, owner of the Cozy Cat Lodge in Kailua along with husband Bill have cared for cat boarders since 2000 and were awarded the 'Best Cat Kennel' from the Honolulu Magazine. Jan was also an Ordained Minister and as Pet Pastor provides pet memorial services, sacred ceremonies and pet bereavement to Cozy Cat Lodge clients. Bill worked with computers at Matson Navigation Company. He spent his down time helping out and playing with the cat guests at the Lodge. He had been found sleeping outside on the floor with a lonely cat now and then. Jan and Bill were companions to seven cats of their own.
